## OBJECTIVE

To contribute effectively in a dynamic and growth-oriented environment by leveraging my skills in SQL, Excel, Power BI, and data analysis, while further enhancing my foundational knowledge in Java and Python, and delivering data-driven solutions through continuous learning and dedication.

## EDUCATION

### B.E. Computer Science and Engineering | 2023 – Present

V.S.B. College of Engineering and Technical Campus (Affiliated to Anna University), Coimbatore.

CGPA: 8.56

### Higher Secondary Education | 2022 – 2023

Sharon Matric Higher Secondary School, Thoothukudi.

Percentage: 82%

## INTERNSHIPS

### Python for Machine Learning Intern – VEI Technologies | (12/2025 – 01/2026)

Analyzed and preprocessed datasets and implemented basic machine learning algorithms in Python to build foundational predictive solutions and strengthen understanding of ML workflows.

### Web Development Intern – PUMO Technovation India Pvt Ltd | (06/2025 – 07/2025)

Developed MERN stack web applications, collaborated on responsive UI design, and contributed to code reviews, testing, and debugging for high-quality delivery.

## PROJECTS

### E-Commerce Web Application – MERN Stack

Built a full-stack e-commerce web application using MongoDB, Express.js, React.js, and Node.js with user authentication, product management, cart functionality, and secure API integration.

### Tic Tac Toe Game – HTML, CSS, JavaScript

Built and deployed a web-based Tic Tac Toe game using JavaScript with interactive UI and win/draw detection logic.

### Interactive Power BI Dashboard for Data Analysis

Developed an interactive Power BI dashboard to perform data analysis, create KPI-driven visualizations, and derive actionable insights from structured datasets.

## CERTIFICATES

- |                                           |                                        |
|-------------------------------------------|----------------------------------------|
| - Python Programming for Machine Learning | - Dashboard Creation in Excel          |
| - MERN Stack Development                  | - Master Data Management for Beginners |

## ACHIEVEMENTS

### Programming in Java — NPTEL (IIT Kharagpur)

Secured Elite + Gold distinction based on proctored exam and assignment performance.

## SKILLS

**Programming:** Java, Python (Basic), SQL (Basic)

**Web Development:** MERN Stack

**Database:** MongoDB

**Version Control:** Git, GitHub (basic)

**Tools:** MS Excel, VS Code, Postman

**Soft Skills:** Attention to Detail | Positive Attitude |  
Communication Skills | Time Management.
